

PEGASUS @PEGASUS_H2020

Plasma Enabled and Graphene Allowed Synthesis of Unique nano Structures

Coordinated by Elena Tatarova – IPFN

H2020 PEGASUS Kick-off Meeting

The PEGASUS Kick-Off Meeting was held in Lisbon on November 6th 2017. The Kick-off Meeting was organized to publicly announce the beginning of the project. The meeting was a great opportunity for all project partners to meet and interact.

During the meeting, the project goals were highlighted and the partners explained their roles and responsibilities and how they intended that consortium members might interact. The main goal of the meeting was to provide an overview of the entire project, clarify the issues and PEGASUS work program implementation as well.
